Please note:

Schedule is subject to change. Please note this schedule is up to date as of June 4th, 2026. If you print it, please remember to always reference the version online closer to the start date.

Some class levels are combined for summer months only. Levels for the Fall session will be released in June. Dancers will remain in their current level for summer classes.

Classes with a \* require pre-requisites. In order to enroll in that level, dancers must already be in that level or have received written notice from the studio (in your parent portal).
